

- Got Aidan on to help with the generator as a new set of eyes.
- I have been starting to work on our custom blocks
 - Designing and generating Javascript to represent blocks
 - These will be used with the generator
 - <https://groups.google.com/forum/m/#!topic/capstone2015group1/6zJwt62xrE4>
- Need to look at a testing module
 - Mocha
 - QUnit
 - Karma
 - Buster
 - JUnit (Java)
